

Preparing Your Business For Future Challenges and Opportunities

How prepared is your business for the future? Have you set future goals and defined realistic targets? At Hutchinson and Bloodgood LLP, we can help you prepare and develop your comprehensive business plan. Combining our experience with your ambitions is the first step in achieving your objectives.

Planning for Success, Improving Profitability

Our flexible business planning and advisory services are designed to improve your vision for the future and increase your organization's profitability. Whether you need to improve forecasting of your cash flow requirements, develop and refine the organizational structure of your business, develop strategies for securing new financing, or are simply looking for a business plan tune-up, we can help.

Our goal is to help you identify your business objectives and the strategies to achieve them and then communicate and monitor your plans to ensure success. Our proactive approach enables us to help you capitalize on opportunities and solve potential problems before they affect your business.

At Hutchinson and Bloodgood LLP, we utilize innovative ideas, dynamic market strategies, and the extensive experiences of our team to advise you and create impactful business plans.

"Ms. LeLoup developed detailed forecasting tools for our business that were easy to use and extremely valuable in determining our business strategy, as well as in seeking financing. I'm so grateful for this expert assistance!"

Jim Clark, DVM, MBA

What is the process?

- Meet to discuss and understand the business and your future plans for it.
- Identify the key drivers for your business.
- Build a customized model that incorporates the key drivers and your plans.
- Review and discuss the resulting forecasted financial statements with you.
- Refine the assumptions.
- Align actual financial reporting and the forecast model as appropriate. The drivers become "key performance indicators."
- Follow the plan.

Local Partner, International Resources

With Hutchinson and Bloodgood LLP, you benefit from both global resources and local commitment. We are a member of PKF North America (PKF NA) and PKF International (PKFI), networks of independently-owned accounting and consulting firms with offices across North America and throughout the world. As a member of PKF, we offer a range of technical and industry specific resources, allowing us to better serve your specialized requirements.

If your plans call for you to "go global" now or in the future, we can provide you access to experienced personnel who have particular knowledge of international business requirements across the globe.
